In Memoriam

On Friday, September 6, 1957, our hearts were saddened by the shocking news of the death of our fellow-student and friend, Mike Smith. Mike was in his Sophomore year in High School. His pleasant personality will always linger in the hearts of his classmates.

The Arcette Staff would like to dedicate this yearbook to the memory of Mike.

Superintendent's Message

I believe, as the years come and go, that you will consider this Annual one of your most prized possessions. Each time you turn its pages you will recall many pleasant memories of your high school years.

I wish to express my appreciation to those who have made the publication of this yearbook possible. I congratulate and thank the ARCETTE staff, the yearbook sponsor, and our many friends who contributed money to cover the cost of producing the ARCETTE.

The art of dealing with people is the foremost secret of most successful men. Without this key to success you can have great ability and education and still fail to reach your goal. I leave the thought with you.

Principal's Message

I want to congratulate each member of the Class of 1960 of the Arcanum High School upon the completion of twelve years of public school work and wish each of you much happiness and success for your future.

The year 1960 brings in a new decade "The Sixties" and its graduates will face a new era with new hopes, new ambitions, and of course, new problems. Your ability to handle and solve the problems of this era will depend largely upon the preparation you made in your four years of high school.

Congratulations are also in order to the members of the ARCETTE staff for a difficult job well done.

TO THE CLASS OF '60...

They on the heights are not
the souls
Who never erred or went
astray
Or reached those high re-
warding goals
Along a smooth, flower-
bordered way.
Nay, they who stand where
first comes dawn
Are those who stumbled -
but went on.
